

# Veckorevyn - Alexandra Dahlström

Alexandra

## **What are you doing this weekend?**

- Playing discs in a church. Then onto Jericho in Malmö to a club called ILOVE. I'll play Yelle and Pandora! The rest of the weekend I'll play FIFA, chess and read stories.

## **At whose home do you want to party?**

- Nadja Chatti.

## **What are you listening to most right now?**

- Wombats and EMO! And Little Boots and Jennie Abrahamsson.

## **Your best party trick?**

- Dance! And hanging glow sticks and garlands or whatever happens to be on hand on my arms and on my friends.

## **What is your outfit on Friday and Saturday?**

- Oh... A fuchsia pink ballet bodysuit from Stockholm Dance Service with a tight, giant French knot on the neck, Thainee Jeans and those Margiela copies with a remarkable heel that I bought like, a month ago?
