

Hair Interviews from the Opening of Hotel Malmen

We were at the opening of the hotel Malmen and had a really nice time. The venue now has a newly renovated restaurant, cocktail bar and hotel. There is also a live stage that will host many amazing artists. But it's not a party without us asking celebrities and guests about their hair products, hair tips and other fun things. Our interviews include: Mark Levengood, Jennifer Brown and Alexandra Dahlström.

How did you style your hair?
I washed it, that's all.

Do you color your hair?
Yes, I'm very flexible in my colors. I have had numerous highlights with really dark tones but I think blonde is best for true blondes.

How often do you wash your hair?
Every second, third day.

Which shampoo do you use?
L'Oréal or TIGI

Conditioner?
Yes, every time I wash my hair. I use Kérastase.

Do you use hairspray?
Yes, I use Elnett, but the key for getting neat hair is to get yourself a good hairdresser. Mine is Stefan Bengtsson and he is in Gothenburg.

Style icon?
Debbie Harry.

Whose hair would you want to shave off?
All the famous pop starlets.
