

Love Revisited

Paul waves it away while he waves toward Jennifer. She smiles and shakes her head and turns to Dennis.

JENNIFER

Just so you know, I can't stay too long. I'm going away on a work trip later tonight.

DENNIS

Okay, I get it.

(smiles)

When is your train?

JENNIFER

At nine. Night train to Malmö.

DENNIS

Well, the overnight trains always take much longer than it actually takes to get down there. You can take a later train, usually I take one at midnight so I know.

JENNIFER

Well, no, but I am going with my colleagues.

DENNIS

(shyly)

Yes of course. I just thought you could take a later train.

(beat)

I don't really know what I'm saying, you're making me a little nervous.

Jennifer smiles a shy little smile.

JENNIFER

Oh, stop.

Dennis looks at her furtively. Paul sighs a little in the background at the cheesy date.

DENNIS

You know what? You're the worst dream girl. Smart, funny... beautiful. The quote you had on your profile was so fucking perfect!

JENNIFER

Oh, you understood it! It's the kind nobody gets...

(Jennifer becoming curious about him)

But tell me a little about you. What do you do?
